Willful Wines strive to be authentic and true to their roots. We work with some of the best vineyards in Oregon and use minimal intervention winemaking to produce the fullest expression of their terroir.

Meticulously farmed chardonnay from Stewart Vineyard was fermented in neutral oak barrels with regular batonage to develop texture. The wine has aromatic fruit flavors, a creamy mouth feel and crisp acidity.

The 2019 Chardonnay was produced from a 0.6 acre plot of grapes in Stewart Vineyard in the Ribbon Ridge AVA.

The wine was fermented around 60F in neutral barrels and stirred daily to build texture and then aged for around 12 months prior to bottling.

This wine is crisp and fragrant, with a rounded texture. It is great by itself and will pair well with cream sauces, cheese and seafood.
