

Jezebel is the easygoing sister to Willful Wine. The Jezebel wines are produced with the intent of providing wine that is well balanced and interesting and designed for immediate consumption.

The 2022 Jezebel Blanc is a blend of 31% Gewurztraminer, 30% Pinot Gris, 23% Riesling and 17% Pinot Blanc.

It has floral, fruity aromatics and tropical fruit flavors and is just a little off-dry. It is great by itself as a refreshing aperitif or porch wine, but also pairs well with seafood and spicy foods.
