

Jezebel is the easygoing sister to Willful Wine Co. The Jezebel wines are produced with the intent of providing wine that is well balanced and interesting and designed for immediate consumption.

The 2017 Jezebel Blanc is a blend of 40% Pinot Gris, 36% Gewurztraminer 19% Riesling and 5% Melon. It is co-fermented in a stainless steel tank, with daily lees manipulation during it's cool fermentation to build mid-palate weight and texture.

It has floral, fruity aromatics and tropical fruit flavors and is just a little off-dry. It is great by itself as a refreshing aperitif or porch wine, but will also pair well with spicy foods.
