WILLAMETTE VALLEY

**will•ful** (adj): **determined; pertinacious; unruly; wild**

Willful wines strive to be authentic and true to their roots. We source grapes from some of the best vineyards in Oregon and work closely with the growers to achieve the best possible quality at harvest time. The grapes are hand picked, meticulously sorted and fermented in small lots with native yeasts to bring out the fullest expression of the terroir and encourage a supple, silky texture. We add as little as possible to the wine and age it using a minimum of new French oak to maintain focus on the fruit.
